Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Monday 01 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Snow showers in the east and north, else cold, bright.

Today:
A few snow showers across the north and east this morning, giving some slight accumulations in places. Mainly dry with some sunshine this afternoon. Brisk easterly winds developing across the Western Isles. Maximum temperature 2 deg C (36 deg F).

Tonight:
A dry evening and night with a widespread frost across the mainland, locally severe. Less cold along the west coast where it will be windy with fresh easterly winds. Minimum temperature -6 deg C (21 deg F).

Tuesday:
Mainly dry, bright in the far north and west. Cloudy elsewhere, some snow possible across East Highland and Easter Ross by afternoon. Freshening easterly winds, strong along the west coast. Maximum temperature 3 deg C (37 deg F).

Outlook for Wednesday to Friday:
Remaining cold with snow at times across the south and east, perhaps heavy across East Highland. Far north and west mainly dry.
